Program Descriptions

Description of CMHA Durham Services

Housing & Intensive Case Management Services:

Provide support to adults with a mental health diagnoses living in the community.

Assertive Community Treatment Team (ACTT):

A client-centered, recovery-oriented mental health service for people between the ages of 18 to 65 with serious and persistent mental illnesses.

Caregiver Case Management Services:

Case management support specific to the individual caregiver with emphasis on education and relief for caregiver stressors.

Nurse Led Practitioner Clinic (primary care):

Provides a full range primary care services to clients and their families who do not have a primary care provider. The Clinic is unique in that it specializes in mental health and is integrated within Canadian Mental Health Association Durham.

Criminal Justice Case Management Services:

Case Management support that specializes in criminal justice matters

Community Wellness Services:

- **Life Skills Programing** provides opportunities for recovery and wellness through development and enhancement of transferable life skills and knowledge through group engagement, the Teaching Kitchen and Employment Initiatives. *Referrals to indicate Oshawa or Bowmanville Program please.*
- **Peer Support Services** within Life Skills programming through Peer Supporter training and skills development opportunities, Peer Supported groups and programming, Peer Facilitation. *Referrals to indicate individuals interest in becoming a Peer Supporter or Peer Recipient please.*
- **YASP – Youth Activity & Support Program** offers youth 14-24 and their children with access to on-site youth programing, resources, amenities, supports and a meal.
- **Youth Public Trustee** provides financial support to youth 16 to 17+ who are seeking/accessing Income Supports through Social Assistance.
- **Youth Case Management** provides client-directed, case management supports; available to youth aged 14-24 based on individual needs and self-identified goals.

Description of DMHS Services

C.A.L.L (Crisis Access Linkage Line) 1-800-742-1890 (24 hours / day)

For individuals experiencing a personal or situation crisis, we provide 24-hour phone support, a mobile crisis team and/or a short-term stay in our community crisis beds. Also provided is information and linkage to DMHS programs, assistance with navigating the mental health system in general and linkage to other community supports

Residential Program - Supportive Housing:

A range of safe, affordable housing programs, based on need – from high support, staffed 24 hours / day, to supported independent housing, with the goal of helping individuals develop the life skills necessary for independent living.

Community Support – Case Management:

Provides person-centered and individualized assistance to individuals with mental health challenges to live independently in the community. Also includes Aboriginal CM, Dual Diagnosis case management, Transitional-Aged Youth case management, Criminal Justice case management and Transitional case management from Lakeridge Health; both Oshawa and Ajax sites.

Family Support:

Provides one-to-one support, education and staff-facilitated peer groups, to aid family members in their role of caregiver to a person living with mental health problems.

Consumer Survivor Initiatives – Peer Support:

Peer Support Specialists provide positive, hopeful and practical support through structured activities and social, recreational and vocational opportunities that promote self-acceptance and personal growth. 1-1 support as well as group support is available

Justice Initiatives:

Provides support to adults and youth while navigating the criminal justice system and offers consultation, advocacy and linkage to needed resources as well as court diversions.
