

## **NIGHT SUPPORT – ASLEEP POSITION**

### **Job Summary:**

The Night Support - Asleep Position will provide support to the program during the overnight shift, ensuring the safety and security of the clients during the night.

This is a sleep position - the employee is permitted to sleep between 1:00 a.m. and 6:00 a.m. provided that the needs of the clients have been met. The employee may be wakened at any time during the shift to provide back up support to the clients or Night Support - Awake Position in the event that assistance is needed.

### **Expectations:**

- Complete a thorough safety check of the premises at the commencement of each shift and thereafter as necessary to ensure the safety and well-being of the clients, and the security of the house and property.
- Provide support to residents, modeling a positive attitude, utilizing affirmation and encouragement while integrating recovery concepts and client empowerment.
- Facilitate the morning meal and all morning activities. Make wake up calls as requested by the clients.
- Ensure basic tidiness and cleanliness of shared areas, including kitchen and washrooms.
- Read previous entries in the staff log book and record relevant information and activities for staff on the upcoming shift.
- Work cooperatively as a member of the program team to ensure coordination of client service.
- Provide back-up assistance to awake staff or other programs as necessary.

### **Minimum Qualifications:**

- Diploma or degree from an accredited College or University in the Human Services field.
- One year related work experience.
- An up-to-date first aid certificate.
- The ability to work with a minimum of supervision.
